

The Greek authorities are planning to move asylum seekers to a Closed Control Access Centre (CCAC) in Lesbos, Greece.

A camp surrounded by barbed-wire fences and concrete walls, and with 24/7 surveillance, 36km away from city.

These measures regulate the residents-their freedom of movement-so they are de facto in a state of detention, isolated from the world, waiting for their asylum procedure. Children will be kept there.

Far away from the colourful world they deserve.
