

HUMANS CREATE THE MOST UGLY FENCES

NOW YOU SEE ME MORIA is a self campaign made by Moria Camp refugees to bring awareness to their current situation and an urgent call to European policy makers for a change.

The invisibility of refugees' stories is a humiliation for those of us with a voice, let Moria be seen and cared. We have to share compassion with other human beings, otherwise how can we consider ourselves humans?

@now_you_see_me_moria

Moria camp refugees calling for change. Join them.
