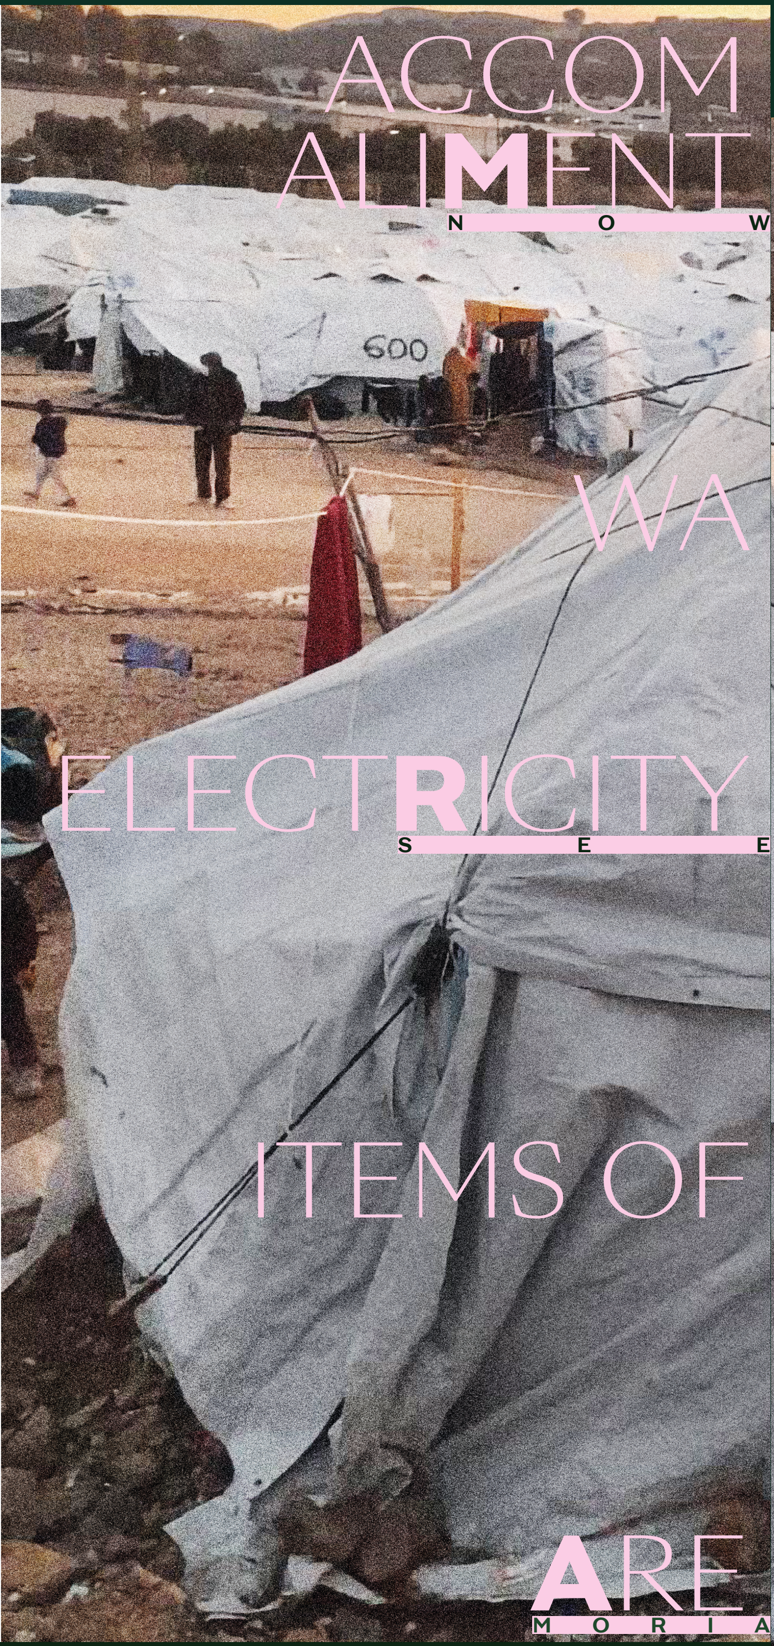
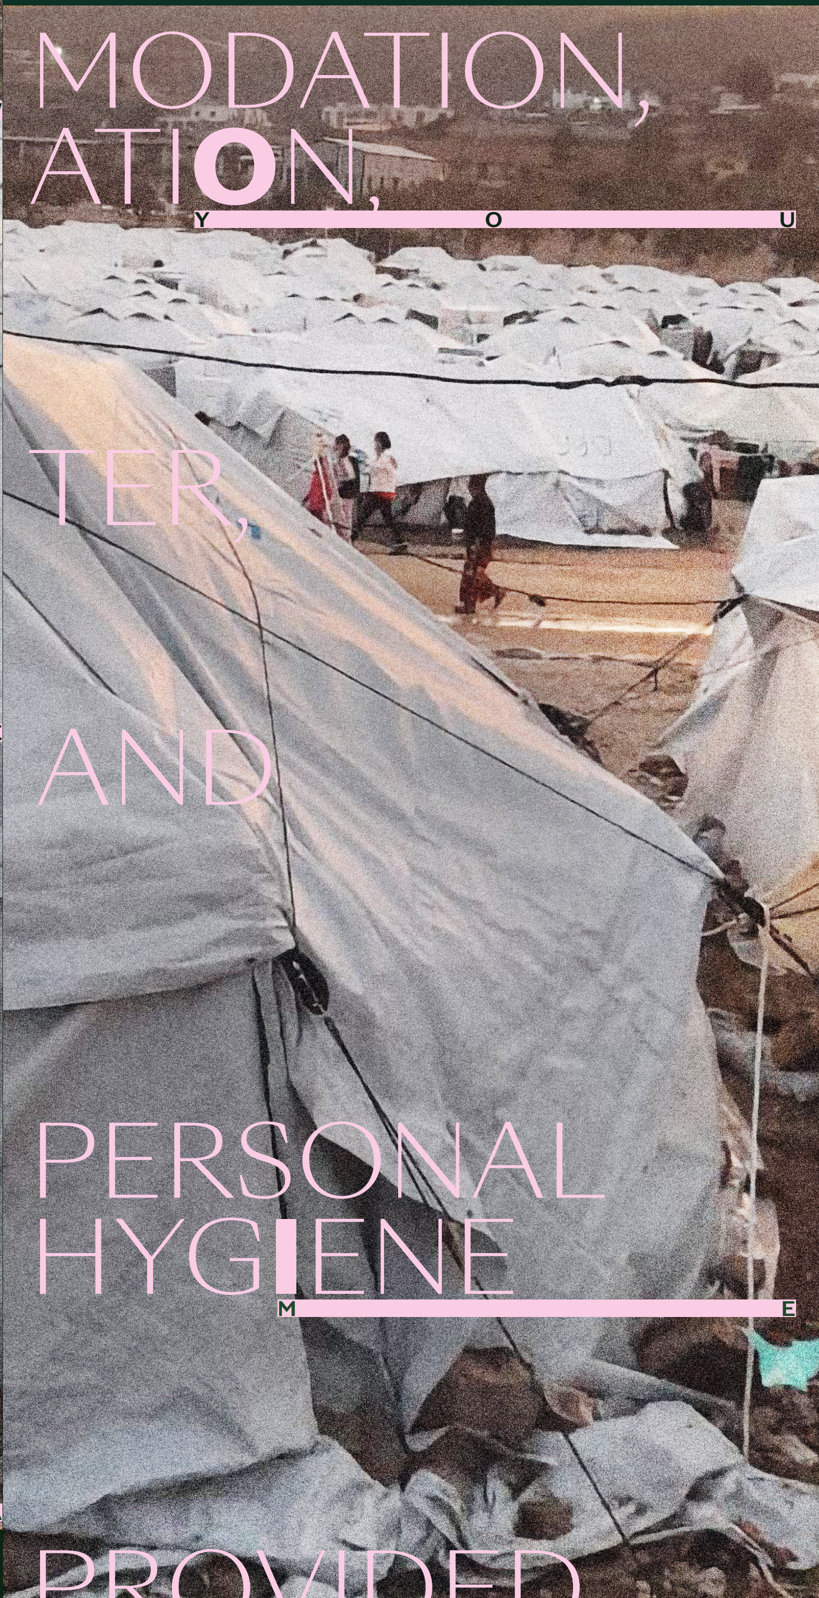
Official announcement of the Greek Government

Your temporary accommodation centre is ready. Kindly proceed immediately to your arrival to the field. Your residence in that field is mandatory for securing decent conditions of living, for reasons of public and personal health, and for the restart of the asylum procedure, as well. In the field you will be totally safe.

Priority is to be given to families and vulnerable groups.

Asylum procedures have normally been commenced anew in the field. We have prepared this field in order for you to await under safety and to depart from Lesvos as soon as possible, complying with the legal procedures. Only in case you arrive to the field, the procedures for departing from Lesvos will be completed.





!! Attention !!!
Do not listen to fake news but only the official announcements made by the Ministry of Migration and Asylum.
