

7,000 refugees

in unacceptable conditions

EVACUATE MORIA

now

Official announcement of the Greek Government
“Your temporary accommodation centre is ready. Kindly proceed immediately to the field. Your residence in that field is mandatory for securing decent conditions of living, for reasons of public and personal health, and for the restart of the asylum procedure, as well. In the field you will be totally safe. Accommodation, alimentation, water, electricity, and items of personal hygiene are provided. Priority is to be given to families and vulnerable groups.” As you can see, non of these promises are being held. The living conditions at Moria are inhumane and brutal.

The overcrowded Moria refugee camp in Greece is where Europe’s ideals dissolve in a tangle of bureaucracy, disregard, and lack of political will. It’s the normalization of a humanitarian crisis. It is the moral failure of Europe. Visibility is key to invoke change and we are in desperate need of change!
