

NOW YOU SEE ME MORIA

From an official announcement of the Greek Government:

»Your temporary accommodation centre is ready. Your residence in that field is mandatory for securing decent conditions of living, for reasons of public and personal health, and for the restart of the asylum procedure.«

Raise awareness to the current situation of the people in the camp, and push European policy makers towards creating sustainable change.

Macht auf die aktuelle Situation im Lager aufmerksam und fordert von euren Politiker*innen nachhaltige Veränderung.
