MORIA

since
05.10.2015

The camp was
built to accomodate
3000 people.

However there are
7000 people living
in the camp in 2021.

Human rights are being
violated on a daily basis.
Journalists and
photographers are not
allowed to go inside the
camp, NGO staff
members are asked not
to take pictures.
Moria is only one
of many shame spots of
a failing European
migration policy.

WE NEED CHANGE.

EVACUATE NOW!

EVACUATE NOW!
