

NOW OR NEVER!

Stand up for the Afghan community.

WE DEMAND:

① demonstrations to push our governments to take responsibility. ② the creation of safe passages from Afghanistan to Europe or other countries for everyone who needs to flee their country due to their safety. ③ to stop any deportation of Afghans to Afghanistan ④ a new check up of all current asylum procedures of Afghans in European refugee camps ⑤ an immediate evacuation of the Afghan people inside the camps to solidarity cities

"To promote gender equality and women's rights, we need peace"
—Lakshmi Puri
